

DOG GROOMING

for the Pet Industry

This course is designed for people who are interested in entering the pet grooming industry or for those who wish to achieve skills recognition within the industry via our Recognised Prior Learning (RPL) program.

This hands-on course offers the following industry-recognised units of competency, which means that you will gain job-relevant training.

RUV4509A Provide professional companion animal grooming service

RUV2102A Follow OHS procedures in an animal care environment

RUV2103A Assist with general animal care

RUV2107A Provide basic first aid for animals

RUV3503A Work effectively in the companion animal industry

People love their animals and many diverse career opportunities exist in areas involved with their training. For people who would like to work in this rewarding field, completing the five units listed could be a great place to start.

Duration 6 months, Fridays 9am-2pm

Cost \$400 (approx)
