Getting started with Futura

Futura is a web based Virtual Learning Environment (VLE) where you can access learning materials, complete activities and communicate with your lecturers. Futura is a web site so it is available wherever there is an Internet connection.

It is organised into learning areas called courses. Your lecturer will have enrolled you into a Futura course related to your studies at Challenger.

Username and password
You will have been allocated a Futura username and password but you may be required to change it as soon as you are logged in).

Logging in
1. To get to the Futura website, open your web browser and go to Challenger’s home internet page (http://www.challenger.wa.edu.au ), click on the Current Students link, this takes you to the iConnect webpage, then under Login, click on Futura.

2. Make sure you review read the Terms of use and then click

3. This will take you to the login page.
5. You may be asked to change your password after your first login.

![Image of password change screen]

Review the rules for choosing a password.

Remember to “Save changes”

6. You are now logged into the Futura home page where you will see the courses in which you are enrolled.

![Image of course overview]

Click on the course name to access it.

Closing Futura

When you have finished using Futura, you must ‘Logout’ using the Logout link at the top right of your screen. This will ensure that all your session data and results are recorded.
